

# Experience Counts

*“Experience Matters - Over 37 Years as a Water Professional”*

**EVMWD Division 3 Serving Lakeland Village and Wildomar**

## **Three Years of DROUGHT**

Californians have been asked to reduce water usage by another 20%

## **What Will Year Four Look Like?**

**It's time to cast your vote for an experienced leader in Water Resources Solutions**

*“I worked for EVMWD for over 32 years on documenting the water supply, flow and the history of water rights.*

*I know where the water is!” - George Cambero*

I will focus the attention to water resources that are currently not being utilized efficiently. I will introduce two plans of action:

**A Master Regional Recycled Water Plan**

**A Master Regional Ground Water Management Plan**

I will also seek cuts in areas of wasteful spending before **EVER** voting on another increase.
